United States Census 2020

Help us share information about the 2020 Census

CITY OF IOWA CITY
UNESCO CITY OF LITERATURE

What does the Census Awareness Team do?

Share Census information with your network (personal, professional)

- Post information on social media
- Create a vlog/blog post or share on a podcast
- Share in a newsletter
- Write a letter to the editor for local publications
- Include in a church bulletin
- Discuss at a party or gathering
- Ask if you can share at work or help connect your workplace to a local Census group
- Encourage your neighbors to complete the Census

Help the Census Complete Count Committee make community connections

Examples:

- University of Iowa
- Kirkwood Community College
- Technical schools or higher education
- School-affiliated groups
- Non-profit and community agencies
- Neighborhood groups
- Religious groups
- Places of employment
- Activities and entertainment

What else can the Team do?

No meetings are required for Awareness Team members but they can help out as time permits:

- Volunteer at an event to help the Complete Count Committee
- Assist the Count Committee with graphics or sharing materials
- Help hand out promotional materials from the Census Bureau

To participate with us on the Committee or find another role to help with the Census, email: ashley-monroe@iowa-city.org or visit www.icgov.org/census
