NEIGHBORHOOD COUNCIL

CRITERIA FOR EVALUATING
"PROGRAM FOR IMPROVING NEIGHBORHOODS"
APPLICATIONS

REQUIRED CRITERIA: The following criteria must be met for the grant request to be considered:

- *Degree of Neighborhood Association input from entire neighborhood regarding project*

- *Degree of neighborhood need for the project as documented*

- *Feasibility of plan to carry out the project as documented*

- *Probability the project can be completed within funding year*

- *Degree to which project is an appropriate use of public funds*

OTHER CONSIDERATIONS: The following criteria could provide addition points to the grant request:

- *Degree of neighborhood participation in the project as documented*

- *Degree to which project benefits low income, elderly, youth or other disadvantaged groups*

- *Probability that other private or public funds will be leveraged*

- *Probability that project would not occur without PIN funding*

- *Degree of project benefit relative to the cost*

- *Degree that project would benefit the social and/or environment*

- *Probability that project would create continuing benefit to the neighborhood as a whole*
