

# PUBLIC INFORMATION MEETING

## AMERICAN LEGION ROAD IMPROVEMENTS

SCOTT BOULEVARD TO TAFT AVENUE

### PROJECT OVERVIEW

Iowa City is planning to reconstruct American Legion Road from Scott Boulevard to Taft Avenue. Planned improvements include:

- New pavement with curb and gutter
- Roundabout at Scott Boulevard
- On-street bike lanes
- Pedestrian facilities
- Underground utilities

The new roadway corridor will have one travel lane in each direction, on-street bike lanes on both sides of the roadway, a shared-use path, sidewalks, and a pedestrian underpass near Hoover Elementary School.

The project will also support the projected growth within the southeast quadrant of the City by upgrading the roadway infrastructure to current arterial design standards.

### PROJECT SCHEDULE

The following is the anticipated schedule for the project

### FIELD SURVEYS

Spring / Summer 2019

### PRELIMINARY DESIGN

January - June 2019

### FINAL DESIGN

June 2019 - February 2020

### RIGHT-OF-WAY ACQUISITION

Winter / Spring 2020

### UTILITY RELOCATIONS

Winter / Spring 2020

### PROJECT LETTING

May 19, 2020

### PROJECT CONSTRUCTION

Summer 2020 - 2021

# PROJECT DETAILS

Right-of-way will need to be acquired for project and Iowa City has started that process.

Segments of American Legion Road will be closed during construction but access will be maintained.

- 10' Travel Lanes
- 7' Bike Lanes (includes buffer)
- 10' Shared Use Path
- 5' Sidewalk
- Intersection Treatments
- Pedestrian Underpass
- Drainage Box Culvert
- Storm Sewer
- Sanitary Sewer
- Water Main
- Lighting (only at roundabout and intersections)
