

# GUIDELINES FOR INSPECTIONS

## PRECAUTIONS DURING COVID-19

In order for City of Iowa City staff to complete an inspection, we ask that you observe the following guidelines:

1. Maintain social distancing. Anyone present must keep 6 feet of space between them.
2. Wear a mask if you intend to be present during the inspection. You may excuse yourself and wait outside while the inspection is completed if you're not comfortable in the presence of others or if you choose not to wear a mask.
3. Our inspectors will be taking precautions to prevent the spread, but we ask that if you have ANY symptoms, please call us at 319-356-5120 and we will reschedule the inspection for at least 14 days after you notify us or to make other arrangements to do the inspections. Depending on the project, photo, videos, or live videos may be considered to determine compliance.

Following your  
inspection >>>

Please contact us if you have concerns  
or if you develop any symptoms.
