

# Near Downtown Bike Projects 2020

## KEY

-  Bike Lane
-  Bikeway
-  Sidepath
-  Trail

New facilities are shown with yellow highlight. 

## Bike Boxes

Bicycle boxes will be painted at these intersections to help bicyclists transition between bike lanes on intersecting one-way streets.

## Burlington Street, Madison to Riverside

Buffered bike lanes on Burlington with a two-stage bike box to help eastbound bicyclists turn left onto Madison Street.\*

## Dodge Street, Burlington to Bowery:

- Pavement patching/overlay.
- Convert section to 2-way traffic.
- Remove on-street parking.
- Buffered bike lanes in southbound lane.

## Dodge Street, south of Bowery:

- Street is already 2-way.
- Roadway to be converted from 4 lanes to 3 with buffered bike lanes on both sides.

Sheridan Street

Page-Walnut Bikeway

KIRKWOOD AVE

\* MADISON ST: Once modifications to steam tunnels under the street are complete, Madison Street will be converted from 4 lanes to 3 with bike lanes added.
