

Holiday Waste Reduction Guidelines

1) Recycle your old holiday lights

November 22 thru January 9 at these locations:

- **East Side Recycling Center** via ReStore Donations or Oil Recycling Shed (2401 Scott Blvd. SE, Iowa City)
- **South Riverside Recycling Center** (1200 South Riverside Dr., Iowa City)
- **Iowa City Landfill and Recycling Center** (3900 Hebl Ave. SW, Iowa City)
- **Coralville Locations:** Hy-Vee #1 (1914 8th St.), Hy-Vee (3285 Crosspark Rd.), Stuff Etc. (2818 Commerce Dr.), Coralville City Hall (1512 7th St.), Coralville Recreation Center (1506 8th St.)

2) Properly dispose of old batteries

Properly dispose of all batteries, including alkaline, lithium, and rechargeable, at battery drop-off locations. View Iowa City locations at icgov.org/hhm.

3) Choose sustainable gifts & gift wrap

Consider giving gifts of meaning or experience to reduce waste, such as a donation to a charity in honor of a loved one. An old newspaper, expired map, piece of fabric, or even reusable cloth bag are great sustainable gift wrap ideas. Most store-bought wrapping paper cannot be recycled due to non-paper additives such as metal, glitter, and plastic.

4) Recycle correctly

Wrapping paper, metallic or glitter coated paper or greeting cards, tissue paper, plastic bags/film/wrap, and Styrofoam are not recyclable.

Only place accepted items in the recycling bin. For a full list of items, visit icgov.org/recycle.

Recycling Drop-offs: Iowa City Landfill and Recycling Center, East Side Recycling Center, and South Riverside Recycling Center

5) Compost your Christmas tree

Iowa City curbside customers can place natural Christmas trees at the curb for pickup at no additional cost to be composted. Residents of Johnson County can also take trees directly to the compost facility (3900 Hebl Ave. SW, Iowa City) at no cost to be composted.

Remove decorations including ornaments, lights, and garland. Do not put the tree in a plastic bag.

Sign up to receive curbside service notices at icgov.org/subscribe.
