## Annual Eye Exams Just Got Cooler

### Introducing One & Sun, an Exclusive DeltaVision Benefit

When your eligible DeltaVision members get an annual eye exam, they can claim a **FREE pair of Ray-Ban® or Oakley® sunglasses** — just for using the vision benefits they already have. It's our way of encouraging a healthy habit that could make an important difference, since regular eye exams can help identify early signs of many costly health conditions.<sup>1</sup>

### How It Works

- 1 When an eligible member has a routine eye exam and we receive a qualifying claim, the member will automatically receive a unique redemption code in the mail.
- 2 The member will then have 90 days to visit [oneandsun.com](http://oneandsun.com), where they can choose from several top-selling styles.
- 3 Once they enter their redemption code, provide their shipping address and submit their order, their new sunglasses will arrive within 10 business days.

### Why Eye Exams Are Important

Regular eye exams can help **identify early signs of chronic health conditions** like high blood pressure, diabetes, heart disease and high cholesterol.<sup>1</sup>

People are **4 times more likely to get an eye exam than a physical**, so it's often the first sign something is wrong.<sup>2</sup>

Diabetes and pre-diabetes represent the **third most costly health condition for employers**. This condition affects more than 110 million in the U.S. and is expected to affect twice as many in 20 years.<sup>3</sup>

The Vision Council states that **employers can save as much as \$7 for every \$1 spent on vision care** due to reduced absenteeism, increased productivity and lower overall claims costs.<sup>4</sup>
