2. When community members bring materials to The Center for quilting services, they are required to sign, and comply with, a Quilt Owner's Agreement form. As a part of this agreement the person must provide the estimated cash value of all the materials being left at The Center.
3. In the event of fire, negligence, or vandalism that destroys property provided by a member of the community for quilting services and currently housed at The Center, insurance coverage through the City of Iowa City reimburses the owner for lost or damaged property.
